Trafalgar Schools' Federation

Newsletter – 13th November 2026

As we celebrate Children in Need today, we'd like to say a huge thank you to our School Council for their fantastic help with the collections. Your generosity and kindness make a real difference to children across the UK. We'd also like to thank our class reps who came in to meet with us this week. It has been really positive to work together on school improvement as well as celebrating our successes and planning future initiatives – your partnership and support means so much to our school community.

Next week (linked to Anti-Bullying Week), we'll be focusing on our Friendship Week across the school (see attached flyer). We'll be encouraging all children to recognise and celebrate acts of kindness, effort and respect in their friends and classmates. On Monday 16th, we'll hold a whole-school assembly to introduce our new Anti-Bullying Ambassadors and launch the week's activities – it's going to be a wonderful week of celebrating friendship and building our caring school community.

As a final reminder, we hope to see everyone at the Lazer show this weekend and remember to book your Christmas trees. (see attached flyer.)

The Senior Leadership Team 🌼

Trafalgar Schools' Federation's fundraising page

Thank you for all your donations. So far, we have raised around £260! Please donate what you can to this worthy cause.

Maths Wizard Challenge 2026

Hampton School welcomed young mathematicians from local primary schools to compete for the title of **Maths Wizard Champion 2026**.

Our Year 5 pupils put their mathematical knowledge and problem-solving skills to the test across five challenging rounds, tackling tricky puzzles ranging from *Am I Odd?* to *Consecutive Numbers*.

A huge well done to George, Esme, Leo C and Emmeline, who proudly represented Trafalgar School. They demonstrated fantastic resilience, teamwork and mathematical skills throughout the competition. We are delighted to share that **Trafalgar School achieved an impressive fifth place out of 14 schools** – a wonderful achievement!

For pupils keen to develop their mathematical talents further, Hampton School also offers an online Maths Wizard Challenge. New puzzles are released each week, with answers and solutions published the following week. **Maths Wizard Challenge**

KS1 Nativity Dates -

Thursday 10th Dec: Green Class & Scarlet Class

Friday 11th Dec: Blue Class & Orange Class

The performances will be the same but the positioning of the children will change to give the classes a chance to be at the front.

Well Done to
