

Vision statement for PE

Through the wide experiences we offer, we aim to challenge our children to achieve academically while also developing their confidence, self esteem and a positive attitude towards learning.

Through physical education and sport, we aim to improve health and well being, to promote positive attitudes towards active participation and lifelong learning and for each child to fulfill their potential.

PE and Sports Grant

The government is providing additional funding to improve provision of physical education (PE) and sport in Primary schools. This funding – provided jointly by the Departments for Education, Health and Culture and Media and Sport - has been allocated to primary school head teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding

Schools spend the additional funding on improving their provision of PE and sport, but have been given the freedom to choose how they do this.

Trafalgar Infant School has chosen to use the money to:

- Develop a rich, varied and inclusive school sport offer as an extension of the curriculum,
- Pay for professional development opportunities for school staff in PE and sport,
- To improve resources to support the development of the subject.

Amount of Funding

PE & Sports Grant £8694.00 – received in financial year 2016/7

Objective: This funding must be used to fund improvements to the provision of PE and sport, for the benefit of pupils aged 5 – 11 years old, in the 2016 to 2017 academic year so that all pupils develop healthy lifestyles.

Academic Year 2016 - 2017

Objective	Action	Cost	Impact
